Polo Grounds, New York, Oct. 15 -Game and as stout-hearted as any team that ever walked, the New York Yanks jerked victory out of the fire here this afternoon and won the world series when they defeated the Giant's, 6 to 4, in the sixth and deciding game for the championship.

Five runs scored in the eighth inning, when the Giant team went to pieces behind wild pitching, gave the Yanks a sensational victory when it seemed they were to be laid low for the second time by the artistic hurling of Arthur Nehf, the star Giant

Nehf had held the hard-hitting Yanks to two hits and one run, a homer by Babe Ruth in the first inning, until he went into the eighth. The Giant southpaw then went to pieces and Bill Ryan who succeeded him was just as wild.

The Yanks scored five runs on three hits, three passes and a wild heave by Bill Cunningham into the Yank dugout from deep centerfield.

First Inning

Dugan out, Frisch to Kelly. Ruth claimed that Snyder held his bat and stepped back as Nehf pitched. The Giants argued that Roth was out but Umpire O'Day did not sustain them. Equipment is Stored

Though the playground equipment was removed from Memorial park season was closed for the summer, vandals have already got in their work and have destroyed much property at the park, it is reported by persons who have investigated.

In addition to the playground equipment, the tables and benches were also stored, but benches that were built around the trees could not be easily removed, and they were not torn down. These, it seems, have been the target of persons who have no respect for property. Dr. Charles Reed Zahniser, executive secretary of the Pittsburgh Council of the Churches, in an address on "The Responsibility of the United Christian Churches and Religious Organizations for the Enforcement of Prohibition Laws," at the morning's session of the Citizenship Conference.

He proposed that a fact-finding committee be appointed in Washington to keep the churches informed of the situation.

The Rev. Dr. Zahniser declared churches. He said in part:

"Persistent publicity at the hands of conscientions Christian leadership is one thing the enemies of public welfare can never stand. "But this same experience has shown that this publicity must have back of it unquestionable accuracy of facts presented and that the churches must have their own carefully designed machinery for getting them. Instances can easily be cited! where failure in this has brought disaster to the churches. They found too late that they had been used as tools by shrewd politicians or sent barking up a wrong trail.

"It takes some skill in this game to distinguish between facts and propaganda and to find the way through the smoke screens our enemies are so adept in using. These folks are usually past masters in the fine art of feeling the public.

"This experience has shown also, the great advantage the churches have over practically every other agency in this matter of publicity, in that they have their own means of accomplishing it. The weatherman said that it would rain some more this morning and again this afternoon.

Anything that will hold off the sixth game of the series will be a help to McGraw, as it will give his murdered pitching staff a chance to rest back into shape. But while the Giant pitchers are resting, so are Sam Jones, Herb Pennock and Waite Hoyt, three good ones, that Miller Huggins has ready to toss in for the final punch at the champions.

In the fourth and fifth games of the series, the Giants were terribly out-hit, out-played and out-pitched. They seemed to have slumped mechanically and morally.

The big break in Sunday's game, which the Yanks took by the lop-sided score of 8 to 1 came in the second inning. With two on bases, Joe Dugan lined to right center field. Stengel, making a desperate running attempt for a pick-up, came in fast. ia, 0.

Young should have cut over back of Stengel to support him if he failed to stop the ball. Instead Young went after the ball, they both missed and fell out of their stride when they almost collided. Then they had to turn and chase the ball to the fence. Dugan getting a home run. That stroke knocked off Jack Bentley and he had to be removed from the box.

The same kind of eratic fielding pulled by Irish Meusel and Stengel in 0. the first inning allowed Bob Meusel to get a triple and knock in two runs.

There isn't much to explain in yesterday's game. The Yanks simply picked up their bats, walked to the Dakota State 13. plate and slapped them out.

McGraw probably will take a desperate chance today and send Arthur Nehf back in to stop the rush of the Yankees. Even if Nehf should tie the series again the plight of the Giants would be just as bad because McGraw would have to send Mule Watson back in the seventh and deeiding game.

Miller Huggins may send Waite Hoyt or Herb Pennock in today if the sixth game is played but the Giants figure that he will try every five days and Haggins may decide to hest him.

Prospects that the game could be played this afternoon brightened as Dakota university 0. the morning passed. The skies were much clearer at 10 o'clock and the sun had succeeded in fighting through the clouds several times. The streets were drying rapidly and threats of rain were passing.

James Tierney, secretary of the Giants, said he felt sure the game would be played unless it should rain Wyoming 0. heavily before noon.

Washington, Oct. 15-In the United States more than in any other country the military forces are made of practical use in time of peace as well as an effective agency is not a newly adopted policy, it |

It may not be commonly known but it is a fact, as recently pointed out by Secretary of War Weeks, that the United States Army had charge of construction of the Chesapeake and Ohio Canal. the Erie Canal, and, Canal. The first two were entirely peace enterprises. Although the Panama Canal was constructed part as a military undertaking in order to facilitate passage of battleships from coast to coast, yet greater purpose was the shortening of the route for merchant vessels.

Our War Department took the lead in construction and operation of systems of radio communication. Although these activities were essential to the military service they have been rendered of value to the commercial and social needs of the country. The War Department has had charge of improvement of rivers and harbors, ostensibly as a military undertaking, but in reality for promotion of transportation. In many other particulars the War department has served the country in time of peace. It has a standing system of relations under which in case of any great calamity such as earthquake, flood or disastrous fire, all of the personnel and matervalue of this service has been illustrated and relief has been afforded when it could not have been other-

CULP FOUND GUILTY OF HAVING GILL NET

Plymouth Man Fined \$17 And Costs And Sentenced to Serve 24 Days in Jail by a Jury

WARSAW MAN FOUND GUILTY

Indianapolis, Ind., Oct. 15-Found guilty of taking fish with a gill net in Koontz Lake, Milo Culp of near Plymouth, was fined \$17 and costs and sentenced to serve 24-days in jail by a jury in the Marshall County Circuit Court, according to word just reaching Richard Lieber, director of conservation in this state. Culp was arrested on April 12 by game wardens.

A few days ago Buck Lung, of Warsaw, charged with netting in Lake Wawasee, was found guifty by a jury in the Kosciusko County Circuit Court, and fined \$10 and costs and sentenced to serve 30-days in jail. Both men are now serving sen-

According to R. D. Fleming, chief of the Indiana game warden service these are the only cases on record where juries sent men to jail for violating the state's fish and game laws. Occasionally a court will impose a jail sentence, but the fact that juries did so is most emphatic evidence that in this state, and its taking only in a manner prescribed by law, in the opinion of Mr. Lieber. WHAT MOTORIST WANTS A CAR WITHOUT PEP?

The best engine will use up its pep if not kept in condition. Little disarrangements soon make big ones, and big ones destroy cars. Repair bills can be kept down and engine pep can be maintained at the maximum if you come to us in time, the moment you notice a "tired feeling" on the part of your motor.

We make all kind of repairs on all makes of cars, and charge only moderate prices.

WHAT IS A ONE CENT SALE?

It is a sale where you buy an item at the regular price — then another tiem of the same kind for 1c. As an illustration The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price, and by paying 1c more, or 26c, you get two tubes. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices, and have sold you for years.

A NEW WAY OF ADVERTISING

This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merits of these goods, they are spending it on this sale in permitting us to sell you a full-size package of high standard merchandise for 1 cent. It costs money to get new customers, the loss taken on this sale will be well spent if the goods please you.

(By United Press)

Polo Grounds, New York, Oct. 15 -Game and as stout-hearted as any team that ever walked, the New York Yanks jerked victory out of the fire here this afternoon and won the world series when they defeated the | †††Batted for Witt in 8th. Giants, 6 to 4, in the sixth and deeiding game for the championship.

Five runs secred in the eighth inning, when the Giant team went to pieces behind wild pitching, gave the Yanks a sensational victory when it seemed they were to be laid low for the second time by the artistic hurling of Arthur Nehf, the star Giant

Nehf had held the hard-hitting Yanks to two hits and one run, a homer by Babe Ruth in the first inning, until he went into the eighth. The Giant southpaw then went to pieces and Bill Ryan who succeeded him was just as wild.

The Yanks scored five runs on three hits, three passes and a wild heave by Bill Cunningham into the Yank dugout from deep centerfield.

First Inning

Yankees-Witt popped to Groh. Dugan out, Frisch to Kelly. Ruth claimed that Snyder held, his bat and stepped back as Nehf pitched. The Giants organd that Roth was out but Umpire O'Day did not sustain them. It was called a dead ball. Ruth hit a home run into the upper right field stands. The ball sailed in a direct line into the last row of the upper right field seats. The stands went crazy. Meusel set a long foul into the left field stands. It was a foul by only a few feet. Meusel out on strikes. One run, One hit, No

Giants-Bancroft flied to Witt. Groh singled to left. Frisch singled off Pennock's shins, the ball rolling to left and Grob stopping at second. Young singled to center, scoring Groh. Frisch was out trying for third, Witt to Dugan. Meusel fanned. One run. Three hits. No errors.

a double play. Nebf to Bancroft to Kelly. No runs. One hit, No errors. Giants-Cunningham flied to Witt,

Kelly fouled to Schang on the first ball in front of the Giant dugont. Snyder fanned. No runs, No hits, No errors.

Third Innina

Yankees-Scott out, Nehf to Kelly. Pennock out, Nehf to Kelly. Witt flied to E. Meusel. No runs. No hits. No errors.

Giants-Nehf fanned, Bancroft out, Dugan to Pipp. It was a nice stop. Groh flied to R. Measel. No runs. No hits. No errors.

Fourth Inning

Yankees-Dagan flied to Frisch. Ruth walked. Ruth gave Nehf the raspberry as he walked to first. Meusel out, Bancroft to Kelly, Ruth stopping at second. Pipp out, Bancroft to Kelly. No runs. No hits. No

Giants-Frisch beat out a bunt down the first base line. Young out, Ward to Pipp, Frisch stopping at second. Meusel flied to Witt, Frisch holding second. Cunningham singled to right, Frisch scoring. Ruth fielded the ball nicely and held Cunningham at first. Kelly out, Ward to Pipp. One runs. Two hits. No errors.

Fifth Inning

Kelly. Schang out, Frisch to Kelly. Scott out. Frisch to Kelly. No runs. No hits. No errors.

to the upper left field stands. It was a long high fly far back in the upper stands. Nehf fanned. Bancroft out. Scott to Pipp, Groh flied to Ruth. One run. One hit. No errors.

Vandals Get in Work as Soon as Equipment is Stored

Though the playground equipment was removed from Memorial park season was closed for the summer, vandals have already got in their work and have destroyed much property at the park, it is reported by persons who have investigated.

In addition to the playground equipment, the tables and benches were also stored, but benches that were built around the trees could not be easily removed, and they were not torn down. These, it seems, have been the target of persons who have no respect for property. The city authorities are being urged to take some steps to make an example of of property at the park so that it will be safe to leave something loose on the ground.

Plaintiff Asserts Note Sold By Indianapolis Bank Was Forged To Obtain Money Falsely

KNOWLEDGE OF HIS AFFAIRS

Meyer-Kiser Bank, Defendant, Said In Complaint To Have Been Familiar With His Condition

(By United Press) Indianapolis, Ind., Oct., Charges that a note for \$2,500 "was prepared, signed and executed by obtaining money and credit," were contained in a suit filed in circuit court here today.

The suit was filed by the Brownstown, Ind., Loan and Trust Company, against the Meyer-Kiser bank of Indianapolis. ...

The complaint alleges that the Meyer-Kiser bank "sold the note to the plaintiff, repesenting it as valid ollateral, when in truth and in fact, they were not what they were represented," by the defendant.

The note was held by A. Messman and Company, payable to Warren G. A SELECTION OF THE SELE

of the Associated Advertising Clubs Decleres "Mysterious Influences" at of Enforcement Squads

SPEAKS TO CHURCH COUNCIL

Proposed That Fact-Finding Committes be Appointed to Keep Churches Informed of Situation

Washington, Qct. 15-"Mysterious influences" at Washington interfere with the efficiency of the local enforcement squads and stop the prosecution of powerful offenders against the prohibition laws, according to the cutive secretary of the Pittsburgh Council of the Churches, in an address on "The Responsibility of the United Christian Churches and Religious Organizations for the Enforcement of Prohibition Laws," at the morning's session of the Citizenship Conference.

He proposed that a fact-finding committee be appointed in Washington to keep the churches informed of F. the situation.

The Rev. Dr. Zahniser declared that persistent publicity is the one great weapon of the Christian churches. He said in part:

"Persistent publicity at the hands of conscientious Christian leadership is one thing the enemies of public welfare can never stand. They love the darkness rather than the light, just because their deeds are what they are. Years ago the Massachusetts Federation of Churches framed a slogan that we are using now generally. Keep the facts before the people, till the people change the

"Merely publicity, however, unavailing. When it is a publicity shot through with moral indignation and spiritual enthusiasm all the gates of Hell cannot avail against it.

But this same experience has shown that this publicity must have back of it unquestionable accuracy of facts presented and that the churches must have their own carefully designed machinery for getting them. Instances can easily he cited where failure in this has brought disaster to the churches. They found too late that they had been used as tools by shrewd politicians or sent barking up a wrong trail.

"It takes some skill in this game to distinguish between facts and propaganda and to find the way through the smoke screens our enemies are so adept in using. These folks are usually past masters in the fine art of feeling the public.

"This experience has shown also, the great advantage the churches have over practically every other agency in this matter of publicity, in that they have their own means, of accomplishing it. I mean the pulpit. they are friendly, but they are a thousand times more inclined to be do it or not. That would be a 'secop' no paper could stand. When we have added to the pulpit the Organized Bible Classes and other similar church machinery, it is perfectly delightful the way newspapers have usually come rushing along and tried to get a place in the front of the

"One thing we need now in the turned down with polar attitude. matter of prohibition is some kind of in these communities. From every the boys." side there comes the complaint that success in local efforts is blocked at Washington.

"Just when a local enforcement squad becomes effective, somebody at Washington decides there is need of a change in personnel for the good of the service.' Just when a strong case has been worked up against powerful offenders, mysterious influences begin to work from Washington and the case withers away. Just when some official is ing service. shown up in our local communities as inexcusably failing to get results the case goes to Washington and is

SUFFICIENCY:-Our sufficiency is of God.-2 Corinthians 3: 5.

Against The Government

Some people are never able to see anything good in the party that happens to be in power. Therefore, they are constitutionally and eternally "against the government." Whatever it does is wrong, or should have been done in some other manner, or should not have been done at all.

No matter who we elect president. or who his cabinet officers may be, or what party they may affiliate with, they are unquestionably men of standing and integrity, of brains and an ability to accomplish things, or they would not be occupying their exalted positions. Be they republicans or democrats, they have their good qualities as well as their faults, and invariably the good qualities

These facts being true, we would have a more harmonious and prosperous country if we would all be for the government instead of so many violently denouncing its every

I used Doan's Kidney Pills procured at Johnson & Co.'s Drug store and they have never failed to relieve me."

The Interstate Commerce Commission has gone a step further and virtually denied the right of an indistry such as coal mining to open up a new property. On the same theory it might deny a common carrier permission to build a sour into a vheat country, a fruit section, a new sawmill or a new mine on the ground that there was an overproduction of the commodity which contemplated new development.

It would seem that this is a dangerous precedent to establish. It means the discouragement of new business and eventually a shortage of certain commodities with resulting high prices to consumers. The Commission's act may have been justified in the present case but it should not have the power to place its judgment above all others in saying what new industry may be built

Dacrease in Home Owners

Indiana was one of 31 states to show a decrease in the percentage of families owning their own homes, according to "How to Own Your Home," an official handbook just issued for prospective home owners by the Department of Commerce. With His Back To The Historical Wall, Instead Of The Yankers, Leader is in Bad Way

BREAK IN SECOND INNING

Stengel And Young Mess Up Line Drive That Went For Home Run Sunday And Turned Tide

By HENRY L. FARRELL

New York, Oct. 15. — For the first time in three years John Me-Graw found the historical wall and not the Yankees at his back, when he assembled his athletes for a few words today.

All the little Napoleon of the National League champions had to offer in the way of a plea for his Yankees from winning the world series today was that old moral lift-"My men, you are still the cham-

pions." Seconds tell fighters that when they are out in their corners and sometimes it fans the spark back into a flame. Maybe the Giants can be fanned back into the race by the hery tongue of McGraw.

The skies were heavy with rain this morning that lingered after a heavy downpour during the night.

The weatherman said that it would rain some more this morning and

again this afternoon. Anything that will hold off the sixth game of the series will be help to McGraw, as it will give his murdered pitching staff a chance to rest back into shape. But while the Giant pitchers are resting, so are Sam Jones, Herb Pennock and Waite Hoyt, three good ones, that Miller Huggins has ready to toss in for the final panch at the champions.

In the fourth and fifth games of the series, the Giants were terribly out-hit, out-played and out-pitched. They seemed to have slumped mechanically and morally.

The big break in Sunday's game, which the Yanks took by the lon-sided score of 8 to 1 came in the second inning. With two on bases, Joe Dugan lined to right center field. Stengel, making a desperate running attempt for a pick-up, came-in fast.

Young should have cut over back of Stengel to support him if he failed to stop the ball. Instead Young went after the ball, they both missed and fell out of their stride when they almost collided. Then they had to turn and chase the ball to the fence. Dugan getting a home run. That stroke knocked off Jack Bentley and he had to be removed from the box.

The same kind of cratic fielding pulled by Irish Meusel and Stengel in the first inning allowed Bob Meusel to get a triple and knock in two runs.

There isn't much to explain in vesterday's game. The Yanks simply picked up their bats, walked to the plate and slapped them out.

McGraw probably will take a desperate chance today and send Arthur Nehf back in to stop the rush of the Yankees. Even if Nehf should Tie the series again the plight of the Giants would be just as bad because McGraw would have to send Mule Watson back in the seventh and deciding game.

Miller Huggins may\ send Waite Hoyt or Herb Pennock in today if the sixth game is played but the Giants figure that he will try every five days and Haggins may decide to hest him.

Prospects that the game could be played this afternoon brightened as the morning passed. The skies were much elegrer at 10 o'clock and the sun had sacceeded in fighting through the clouds several times. The streets were drying rapidly and threats of rain were passing.

James Tierney, secretary of the Giants, said he felt sure the game would be played unless it should rain heavily before noon.

KARSAS CITY FIELD MUDDY

Kanses City, Mo., Oct. 15-Rain which fell throughout the night was continuing early today and it was doubtful if the fourth game of the series between Kansas City and Boltimore could be played this afternoon. The field was muddy.

The series now stands two to one with the Blues having the edge. They took yesterday's game from the Orfoles 7 to 1, Jimmy Zirn, Kansus City pitcher, allowing just one hit.

ARLINGTON SCORES TWICE ON GREENWOOD

Athletic Club Team Defeats Ameriean Legion Aggregation Sunday By Score Of 14 To 8

LINE IS LIKE A BRICK WALL

The Arlington Athletic club football team defeated the Greenwood American Legion team of Greenwood 14 to 0 Sunday in a drizzling rain which handicapped the playing of booth teams. However, the Arlington team showed better than any time this season and played good ball.

The teams were about evenly matched in weight, but Greenwood could do nothing with the Arlington line. Wicker for Arlington pushed over a touchdown in the first period on an off tackle play, Keith hicking goal Neither team was unable to men to get busy and keep the second in the second and third quarter but Trieshman, Arlington's right alfback took the ball over in the fourth quarter on an end run. Again Keith made good the extra point and the final score was 14 to 0.

> Buck Coon, Arlington's new quarterback, also played a good heady game. The whole team is playing together now and expects to make it very interesting for Gosport next Sunday. There will probably be a game played at Arlington Oct. 28.

of the St. Louis Cardinals that Rosers Hornsby, the National League's best hall player, will play in St. Louis next season or not at all, there are reasons to believe that there are chances, at least, for some other club to obtain the services of the Cardinal star.

The outcome of the pennant race in the National League next season may be influenced in a very large legree by what means the St. Louis club decides upon in solving the problem caused by the rebellion of Hornsby.

For several years, Hornsy has Cardinals, and as long as he seemed to have no objections, the statements made by the club owners when the Giants were said to have offered \$200,000 for him, that he would never be sold or traded looked to be fin-

CORN AS "LEGAL TEMBER"

Muncie, Oct. 15-When "the phost walks" in Erivan, Armenia, it must be a ghost of about the capacity of

a five ton truck. For, 250,000 pounds of corn grit from the U.S. are being used to pay refugees who are rebuilding homes and public buildings in Erivan, following the Turkish invasion. Of this,

160,000 pounds Hoosier farmers. The homely cereal is universally

accepted in place of the well-known pav envelope.

Montgomery county, with 3,000 bushels, led Indiana this year in domations to the Near East Relief. according to Dr. John B. Evans, Cortland, N. Y., district commander of the Near East Relief in the Erivan

WHAT MOTORIST WANTS A CAR WITHOUT PEP?

The best engine will use up its pep if not kept in condition. Little disarrangements soon make big ones, and big ones destroy cars. Repair bills can be hept down and engine pep can be maintained at the maximum if you come to us in time, the moment you notice a "tired feeling" on the part of your motor.

We make all kind of repairs on all makes of cars, and charge only

CULP FOUND GUILTY OF HAVING GILL NET

Plymouth Man Fined \$17 And Costs And Sentenced to Serve 24 Days in Jail by a Jury

WARSAW MAN FOUND GUILTY

Indianapolis, Ind., Oct. 15-Found guilty of taking fish with a gill net in Koontz Lake, Milo Culp of near Plymouth, was fined \$17 and costs jail by a jury in the Marshall County Circuit Court, according to word just reaching Richard Lieber, director of conservation in this state. Culp was arrested on April 12 by game wardens.

A few days ago Buck Lung, of Warsaw, charged with netting in Lake Wawasee, was found gailty by a jury in the Kosciusko County Circuit Court, and fined \$10 and costs and sentenced to serve 30-days in jail. Both men are now serving sen-

According to R. D. Fleming, chief of the Indiana game warden service, these are the only cases on record where juries sent men to jail for violating the state's fish and game laws. Occasionally a court will impose a jail sentence, but the fact that juries did so is most emphatic evidence that manner prescribed by law, in the opinion of Mr. Lieber. In other words wild and aquatic life are held in trust by the state as the property of the public. Poachers and such will be treated by the conservation department as common thieves.

ADDITION TO GREENHOUSE

Tom Turner, owner of the Pansy Greenhouse on East Eleventh street. has started construction work on a big addition to the houses, and will specialize on sweet peas and chrysanthemums in the new portion. The building will be 42 by 67 feet, and will be quite an addition to his present green house.

WHAT IS A ONE CENT SALE?

It is a sale where you buy an item at the regular price — then another tiem of the same kind for 1c. As an illustration The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price, and by paying 1c more, or 26c, you get two tubes. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices, and have sold you for years.

A NEW WAY OF ADVERTISING

This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merits of these goods, they are spending it on this sale in permitting us to sell you a full-size package of high standard merchandise for 1 cent. It costs money to get new customers, the loss taken on this sale will be well spent if the goods please you.
